

Superior Widget Company

About Superior Widget:

Superior Widget Company has been manufacturing and supplying high quality precision manufactured widgets to the wholesale and retail markets for over 50 years. Throughout this period, we have prided ourselves on the quality of our product and knowledge and helpfulness of our staff.

Company Principal:

Walter Widget, Jr., Company Owner and CEO, has over 45 years of direct experience at Superior Widget, beginning on the production floor and working in every department of the company from production to sales to management. Walter worked his way up through the ranks to be prepared to take over management of the Company upon the retirement of his father, Walter Widget, Sr. in 1997. During Walter's tenure as CEO, Superior Widget received ISO 9000 certification and implemented Lean Manufacturing Principals. Walter is past President of the Widget Manufacturer's Association of America (WMAA).
